The Polynesian Culture Association, Inc. was founded in 2004. We are a grassroots 501(c) (3) non-profit organization with the mission of preserving, promoting, sharing and educating the public about the Polynesian Culture.

We appreciate and share the dynamic array of ethnic identities, traditions, cultural expressions and artistry of Polynesian people from Hawaii, Samoa, Tahiti, and New Zealand (Maoris). We want to create dance, culinary, language and modern culture programs that enrich and preserve the ancient, traditional, interpretive and modern aspects of Polynesian Culture. We want people who might not be able to visit the Polynesian Islands to have an opportunity to experience and learn about the history, ethnic heritage and culture of Polynesian and Pacific Islands.

We are pleased to announce our The Annual Polynesian Cultural Festival will commence once again in Oakland Park, Florida. Sponsorship packages are designed to offer organizations visibility and recognition of support of our mission in cultural preservation during the 2-day cultural festival. All sponsorships are tax deductible. We thank you for your interest to support us! **A portion of the proceeds from this event will be shared with Broward Children's Center and its affiliates specialize in helping infants, children, and young adults with special health care needs. Founded in 1971.**
